

Make Your Own Festival Wristband!

Skimstone
Arts

Hello and welcome to Skimstone Arts UNITY festival. We are so sad that we cannot all be together in person, so we have provided some materials for you to transform your own space into a fun festival experience!

Festival Wristband

Normally when you attend a festival you are given a wristband upon entry.

Why don't you have a go at designing your own wristband or use the UNITY festival one provided.

Nature Wristband

UNITY festival is about celebrating community, nature, and social action.

Why don't you get creative with the materials around you within nature?

Make a bracelet made from twigs, twine or flowers.

Things to think about

- *What does community mean to you?*
 - *What does nature mean to you?*
- *Get creative with the materials around you, bring the outdoors indoors!*

Don't forget to upload a photo and tag us on Twitter or Instagram with the hashtag #UNITYfestival2021
